ORDER

The National Labor Relations Board's unopposed motion to continue the stay of appellate proceedings (Docket Entry No. 12) is granted. Appellate proceedings remain in abeyance pending the Court of Appeals for the District of Columbia Circuit's resolution of the pending issues. This case is stayed until December 20, 2016. At or prior to the expiration of the stay, the Board shall file the certified list or a status report and motion for further relief. If the certified list is filed, the petitioner's opening brief will be due January 19, 2017, the respondent's answering brief will be due February 20, 2017, and the petitioner's optional reply brief will be due within 14 days after service of the answering brief. The filing of the certified list or the failure to file a further motion will terminate

the stay of proceedings. Any further motion to stay appellate proceedings based on the pendency of motions before the D.C. Circuit must describe the Board's inquiries to that court as to the status of the motions.
